Box No. II	Observations where certain claims were found unsearchable (Continuation of item 2 of first sheet)
1. Claims	I search report has not been established in respect of certain claims under Article 17(2)(a) for the following reasons: Nos.: they relate to subject matter not required to be searched by this Authority, namely:
2. Claims l because extent th	Nos.: they relate to parts of the international application that do not comply with the prescribed requirements to such an hat no meaningful international search can be carried out, specifically:
3. Claims 1 because	Nos.: they are dependent claims and are not drafted in accordance with the second and third sentences of Rule 6.4(a).
	Observations where unity of invention is lacking (Continuation of item 3 of first sheet)
	Searching Authority found multiple inventions in this international application, as follows:
the expos and a sec On the or 10-15 is to container causing the contact we (contained	cial technical feature of the inventions of claims 1-9 is to cover sed surface of an adhesive agent joining a first container member cond container member with a metallic film. ther hand, the special technical feature of the inventions of claims to irradiate an energy wave to a first metallic section of a first member and a second metallic section of a second container member, he first metallic section and the second metallic section to be in the each other to form a metallic layer.
claims.	quired additional search fees were timely paid by the applicant, this international search report covers all searchable
any addit	archable claims could be searched without effort justifying an additional fee, this Authority did not invite payment of ional fee.
3. As only sonly thos	some of the required additional search fees were timely paid by the applicant, this international search report covers se claims for which fees were paid, specifically claims Nos.:
4. No requir	red additional search fees were timely paid by the applicant. Consequently, this international search report is
restricted Remark on Protes	to the invention first mentioned in the claims; it is covered by claims Nos.:
	No protest accompanied the payment of additional search fees.
